Dear Valued Customer,

Please accept this letter as official notification regarding the discontinuation of the Z Microsystems **20.1" and 21.3" Orion UDP Rackmount Displays**.

This product is being discontinued for the following reasons:

- Discontinuance of video controller components.

Please consult your Z Microsystems Sales Representative for additional details, warranty provisions or alternate products to transition to.

End of Life Warranty Statement

The Z Microsystems **20.1" and 21.3" Orion UDP Rackmount Displays** have reached their end of life on November 19, 2010. All shipments of this product have been permanently discontinued.

After November 19, 2010 Z Microsystems will honor product replacement requests covered by their existing warranty as long as inventories last. At any point in time, warranty requests may be processed as a prorated credit to the customer or an equivalent item may be substituted.

Customers should continue to contact Z Microsystems technical support to report defective product and to receive a Return Materials Authorization or on-site service. All other terms and conditions of Z Microsystems' warranty remain unchanged.
