Dear Valued Customer,

Please accept this letter as official notification regarding the discontinuation of the Z Microsystems **ZX2, ZXL2 & ZXt Servers**.

**This product is being discontinued for the following reasons:**

- Motherboard End Of Life from Manufacturer

**The recommended replacement for this item is/are the:**

- Z Microsystems ZX1, ZX2, ZX3 Servers with alternate motherboards. Please consult your Z Microsystems Sales Representative for additional details.

**Last Time Buy (LTB) offer for the Z Microsystems above listed ZX2, ZXL2 & ZXt Servers**

- LTB will be accepted until April 30, 2010
- End of support for the **ZX2, ZXL2 & ZXt Servers** will be September 30, 2010
- Z Microsystems will make all reasonable efforts to meet LTB demands
- If the product is in short supply, Z Microsystems may allocate the available product among its customers, as Z Microsystems considers equitable
- Lead times for LTB products are based on material availability
- Special warranties may apply to products purchased as LTB orders
- Z Microsystems may honor warranty returns for discontinued products by providing a credit or substitute with an equivalent product after September 30, 2010

Please call 858-831-7000 for details on the LTB offer, warranty provisions or the product transition process.

**End of Life Warranty Statement**

The Z Microsystems **ZX2, ZXL2 & ZXt Servers** will reach its end of life on June 30, 2010; at which point shipments of this product will be permanently discontinued.

After June 30, 2010 Z Microsystems will honor product replacement requests covered by their existing warranty as long as inventories last. At any point in time, warranty requests may be processed as a prorated credit to the customer or an equivalent item may be substituted.

Customers should continue to contact Z Microsystems technical support to report defective product and to receive a Return Materials Authorization or on-site service. All other terms and conditions of Z Microsystems' warranty remain unchanged.
